The Nantucket Preservation Trust is most grateful to our lead underwriter of *'Sconset: House by House*:

Founded in 1984, the 'Sconset Trust works to preserve the unique character and way of life in 'Sconset. Through both land conservation and historic preservation, the 'Sconset Trust protects the natural and built environment of the island's easternmost village.

The 'Sconset Trust is a thoughtful steward and important partner in preserving Nantucket's sense of place.
