

NANTUCKET PRESERVATION TRUST

Preserving the Craft 2023 Sponsorship

Nantucket Preservation Trust is **preserving our island's unique architectural heritage** for present and future generations.

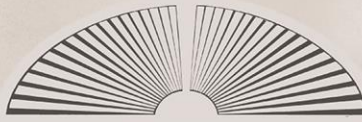

We believe in the importance of ***Preserving the Craft***: passing on time-tested skills to today's craftspeople. We do this through our **Mary Helen & Michael Fabacher Scholarship** — providing support for continuing education in historic building and preservation methods.

For NPT, traditional building methods are a reminder that our historic structures still stand today because of the care of the Nantucketers who first built them. Our ***Preserving the Craft*** sponsorship is designed to highlight both our own work in this area, and that of our partner.

*Our partner is an **island business** that shares our **commitment to authenticity, integrity, and respect for the time-honored methods** of the past. Our partner also shares our commitment to the **island community and Nantucket's unique sense of place.***

Preserving the Craft sponsorship is valued at \$2,500. Acknowledgement includes:

- full page ad in *Ramblings* (*Copies of Ramblings are distributed on-island at high-traffic locations such as the Hyline ferry terminal and Bartlett's Farm and mailed directly to our members (500+) and to new owners of historic properties as well as homes valued at over \$3,000,000.*)
- 2 tickets to our annual August Fête event; sponsorship credit in August Fête program and promotional materials.
- Recognition will also be provided on our website and in our e-newsletter.
